

Gebze Technical University Institute of Earth & Marine Sciences

02 October 2020

As a result of the cooperation between Gebze Technical University and Gebze Municipality, the compost production facility was opened. Our University Rector Prof. Dr. M. Hasan Aslan and Institute Director Prof. Dr. M. Salim Oncel attended the opening ceremony on October 2, 2020. Prof. M. Salim Oncel had a talk about the compost production facility.
